

London, April 7, 2009

Erik Arntzen, president of the European Association for Behavior Analysis (EABA), and Javier Virues-Ortega, secretary, on behalf of the Executive Board of EABA, herein certify that in the meeting on April 7th 2008, the EABA Executive Board agreed to formally endorse the professional credentials issued by the Behavior Analyst Certification Board, Inc (BACB). EABA recognises BACB credentials (Board Certified Behavior Analyst-Doctor,[®] Board Certified Behavior Analyst,[®] and Board Certified Assistant Behavior Analyst[®]) as standards for professional practice in Europe and commits to help with their dissemination in Europe. EABA looks forward to joint efforts with the BACB to adapt these credentials to European laws, standards and thus help evolve the professional status of behaviour analysis in Europe. This endorsement will be valid unless otherwise specified formally by the EABA Executive Board.
