*All Type 2 continuing education (ACE) provider applicants MUST agree to the following terms and conditions. The BACB will not review any application that does not include a signature of agreement to all of the terms and conditions. Any violation of these terms and conditions WILL result in immediate termination of provider status.*

*If your ACE Coordinator changes, the new coordinator must submit this completed application; however, no fee is required.*

## APPLICATION TERMS & CONDITIONS

BACB ACE providers may only represent that they are "BACB approved continuing education providers." The BACB forbids any other representations. BACB ACE providers may not suggest or imply in any advertisements of their ACE events that the BACB warrants, endorses, sponsors, or is otherwise affiliated with (1) the continuing education event; (2) the organization offering or sponsoring the event; or (3) the instructor of the event.

1. BACB ACE providers must ensure that all events offered for Type 2 (approved) continuing education are consistent with all BACB Type 2 CE standards, criteria, and policies, and that the events accurately portray the BACB standards, criteria, and policies.
2. Prospective BACB ACE providers must not provide confidential information during the application process. Information provided in this application may be disclosed to third parties, including, but not limited to, state and federal agents or agencies requesting such information.
3. BACB ACE providers are responsible for ensuring that all ACE events comply with applicable laws, including facility licensure requirements and the Americans with Disabilities Act (or similar laws outside of the United States) accommodation requirements.
4. By signing below, the BACB ACE provider applicant affirms and represents that the information provided in this application and any attachments hereto is true and accurate. The applicant agrees to be bound by all BACB standards and requirements for ACE providers, as may be revised. The applicant agrees to indemnify and hold harmless the BACB, its directors, officers, employees, agents, and volunteers from and against any and all liability (including court costs and attorney's fees) that may arise from the BACB's agreement to process this application for approved continuing education providers and any decisions or actions relating to this application, including, but not limited to, approval decisions, renewal actions and decisions, denials of approved status, and the issuance of sanctions regarding approval status.

## Type 2 ACE Provider Sample Syllabus Form

Version 2/2017

The purpose of the sample syllabus is to demonstrate that a prospective Type 2 (approved) continuing education provider can construct an event that comports with all of the BACB's standards and policies for Type 2 continuing education events and instructors. The event described in the sample syllabus need not be an actual or completed event, but should be representative of events the provider will offer if approved by the BACB. Types of events that may qualify for Type 2 (approved) continuing education include, but are not limited to, workshops; seminars; tutorials; professional convergence sessions (such as addresses, papers, symposia, and panel discussions); online or other distance education activities; and activities such as reading journal articles, provided that participants are required to respond actively to the materials (e.g., by answering written questions about them). Approved Type 2 CE providers may also use this form for syllabi to be provided to participants in CE events, or for events that are being considered for Type 2 CE events by approved organization providers.
