

# BCBA Examination Pass Rates for University Training Programs (2024)

This report presents the number of first-time BCBA examination candidates and corresponding pass rates for Association for Behavior Analysis International (ABAI) Accredited Degree Programs and Verified Course Sequences (VCS). BCBA candidates are included in the pass-rate data if they received a degree from an accredited program or completed all required coursework from a VCS to meet BCBA certification eligibility requirements.

Data are not reported for training programs with fewer than six first-time candidates in 2024. Institution name, department name, program name, and modality fields are listed as they appear in ABAI’s database records. *Note:* For a complete list of universities that offer qualifying BCBA coursework, please visit the [ABAI website](#).
