

## List of Active FL-CBAs

In 2003, the BACB assumed all certifying responsibilities for certificants of the defunct Florida Behavior Analysis Certification Program under the Florida Department of Children and Families. Individuals certified under this program are permitted to continue using the Florida Certified Behavior Analyst™ (FL-CBA™) designation, which is valid only in Florida. FL-CBAs have the same responsibilities and privileges associated with the Board Certified Behavior Analyst certification®.

Updated March 7, 2022 (*this list is updated quarterly*)

Personal Information					Certification Information					
Last Name	First Name	City	State	Zip Code	Certification Number	Original Certification Date	Next Recertification	Expiration Date	Status	Met Supervisor Requirements
