ABOUT THIS HANDBOOK

This handbook describes the requirements for obtaining and maintaining RBT certification. Applicants and certificants must comply with the requirements outlined in this handbook. Failure to do so may result in the BACB taking summary action (e.g., suspension, revocation, invalidation) against your eligibility or certification and/or submitting a Notice of Alleged Violation to the BACB Ethics Department.

This handbook contains clickable images that link directly to BACB documents. To help with navigation, this handbook also includes PDF bookmarks and a clickable Table of Contents icon (¶) on the corner of each page. New versions of the RBT Handbook will be published quarterly as needed. Applicants completing requirements in a future year should make note of upcoming implementation dates for revised requirements, as they must meet the requirements in place at the time they apply and take the version of the examination in effect when they schedule their examination appointment. Please refer to the BACB Newsletter and the Upcoming Changes web page for the most updated information on future certification requirements.

The BACB does not discriminate against any individual because of race, ethnicity, gender, age, creed, disability, religion, marital status, sexual orientation, or national origin. Allegations of discrimination can be reported via our Administrative Appeal Request Form.

For a complete list of updates included in this version of the RBT Handbook, please see page 41.

The BACB reserves the right to amend the procedures outlined in this handbook.

Overview

About the Behavior Analyst Certification Board

The Behavior Analyst Certification Board, Inc.® (BACB®) has been the leader in behavior analyst certification for over two decades. The BACB is a nonprofit corporation that was established in 1998 to meet professional certification needs identified by behavior analysts, governments, and consumers of behavior-analytic services. The BACB’s mission is to protect consumers of behavior-analytic services by systematically establishing, promoting, and disseminating professional standards of practice.

In the profession of applied behavior analysis, the BACB’s primary role is to operate certification programs, which involves responsibilities similar to regulatory boards. In this role, the BACB establishes practice standards, administers examinations, and provides ethics requirements and a disciplinary system for each of its certification programs. To learn more about our role and limitations, read our blog post, The BACB: What it is, What it Does, and Why, and listen to Episode 11 of our podcast, Inside the BACB.

Jurisdiction

The BACB currently accepts certification applications from individuals who reside in the United States (US), Canada,* Australia, and the United Kingdom (UK).** For more information about the BACB’s jurisdiction, visit the International Development & Support web page. The BACB will confirm that you’ve met this jurisdictional residency requirement via the address listed in your BACB account.

What Is a Registered Behavior Technician?

The Registered Behavior Technician® (RBT®) is a paraprofessional certified in behavior analysis. RBTs assist in delivering behavior-analytic services and practice under the direction and close supervision of an RBT Supervisor and/or an RBT Requirements Coordinator, who are responsible for all work RBTs perform.

RBT certification was originally designed for settings in which a BCBA® or BCaBA® is already providing behavior-analytic services. Thus, applying to become an RBT is most likely to occur after the applicant has been employed by the organization in which they will continue their work assisting qualified BCBAs and/or BCaBAs in their service-delivery activities.

Note: In the interest of consumer protection and to ensure that the BACB certification mark is only used to accurately represent certification status, the BACB may seek legal and other remedies to address any misrepresentation of BACB certification (and/or any misuse of other BACB trademarks and logos) that constitutes trademark infringement. For more information about the use of BACB certification marks, see the September 2008, October 2013, and July 2021 BACB Newsletters.

* Beginning July 1, 2024, Ontario residents can no longer apply for RBT certification or take the examination. Those who already hold RBT certification in Ontario or relocate to Ontario will be placed on voluntary inactive status. Please review the Upcoming Changes to BACB Certification in Ontario announcement for details.

** Individuals who reside in the UK may continue to apply for BACB certification through 2025. This date may be moved earlier if the UK Society for Behaviour Analysis seeks national recognition for UK behavior analysts, develops its own credentialing system, and transitions current BACB certificants into the UK system.
Overview of Becoming and Maintaining RBT Certification

Why Should You Become an RBT?
There are many benefits to obtaining RBT certification, including:

- It shows that you have met certain requirements that are critical in delivering behavior analysis services.
- It provides increased consumer protection since you must meet certain eligibility (e.g., pass a criminal background check and an abuse registry check, meet certain knowledge requirements) and maintenance (e.g., receive ongoing supervision, adhere to an ethics code) requirements to obtain and maintain certification.
- It makes it easier for employers, funders, consumers, etc. to verify that you have certain knowledge, skills, and abilities; have appropriate oversight; and are not under disciplinary sanctions.
- It is a widely recognized and respected credential since it is offered by the BACB, the nation’s first organization to certify behavior analysis professionals.

Accreditation
The BCBA, BCaBA, and RBT certification programs are accredited by the National Commission for Certifying Agencies (NCCA), the accreditation body of the Institute for Credentialing Excellence (ICE). NCCA’s Standards for the Accreditation of Certification Programs were the first standards developed for professional certification programs to help ensure the health, welfare, and safety of the public. NCCA standards articulate the essential elements of a high-quality certification program. Consistent with these standards, the BACB’s certification requirements, examination content, and procedures undergo regular review by subject matter experts in the discipline. To learn more about accreditation, see ICE’s video, Value of Accreditation: Why it Matters.
# Eligibility Requirements

The following eligibility requirements must be met before applying for RBT certification:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>How to Demonstrate This Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Age:</strong> You must be at least 18 years old when you submit your RBT certification application.</td>
<td>Have your RBT Supervisor or RBT Requirements Coordinator confirm your age as part of your RBT certification application. Please note that your RBT Supervisor/Requirements Coordinator is not required to confirm your age via documentation if such a review has been conducted by the organization employing you that proves you are at least 18 years of age.</td>
</tr>
<tr>
<td><strong>Education:</strong> You must have at least a high school-level education or the equivalent when you apply for RBT certification.</td>
<td>Upload a high school diploma or transcript that reflects a graduation date with your RBT Certification Application. You may also submit a transcript from a post-high-school institution (e.g., a university) demonstrating that you have been able to enroll in at least one course. If you completed your education in a country that does not offer a high-school-equivalent diploma, you must provide documentation that shows you remained in full-time education for your country’s required duration. This documentation must be translated into English using an official translation service.</td>
</tr>
<tr>
<td><strong>Background Check:</strong> Within 180 days of paying for your RBT certification application, you must complete and pass a criminal background check and an abuse registry check comparable to those required of home health aides, child care professionals, and teachers in the community where you will provide services. Please note that fingerprinting is not required by the BACB, but this requirement may vary by state and organization.</td>
<td>Have your RBT Supervisor or RBT Requirements Coordinator confirm that you passed a criminal background check and an abuse registry check as part of your RBT certification application. Please note that if passing a background and abuse registry check was required by your organization within 180 days of your application, your RBT Supervisor/Requirements Coordinator must confirm this with the organization. In the event of an audit, your RBT Supervisor/Requirements Coordinator must provide documentation to support their attestation.</td>
</tr>
<tr>
<td><strong>Training:</strong> You must complete a 40-hour training that meets the requirements outlined in the RBT 40-Hour Training Packet. To learn more about the 40-hour training and where to complete it, review the RBT 40-Hour Training Fact Sheet.</td>
<td>Include a copy of your 40-hour training certificate with your RBT certification application. Your training provider will provide this certificate when you complete a 40-hour training program. Check with your instructor to confirm that your course was designed to meet this requirement. Previously completed 40-hour trainings may be eligible for submission but must meet all current requirements.</td>
</tr>
<tr>
<td><strong>Initial Competency Assessment:</strong> After you complete the required 40-hour training and no more than 90 days before you submit an RBT certification application, you must demonstrate that you can competently perform the tasks outlined on the RBT Initial Competency Assessment. Learn more about the assessment in the RBT Initial Competency Assessment Fact Sheet.</td>
<td>Complete the RBT Initial Competency Assessment with your assessor and upload the completed assessment with your RBT certification application.</td>
</tr>
</tbody>
</table>
APPLYING TO BECOME AN RBT

Applying to Become an RBT

To apply for RBT certification, complete the steps below:

1. Create a BACB Account

You will need to enter some basic information about yourself to create a BACB account.

- **Enter your full legal name** exactly as it appears on your government-issued identification. If it does not match exactly, you will not be able to take the examination. Name changes require review by BACB staff, so a name change could delay your ability to take the examination.

- **Use a personal email address** and not a work email address. Important notifications and reminders are sent to this address, so if you switch employers, you will not receive reminders, correspondence, or password resets.

- **Set up the profile yourself** and do not share your account information with anyone else, including your employer. This is your certification—no one else should be managing it for you. The contact information you provide must include your current address and phone number. It is very important that you list your current address, as your residence must be under the BACB's jurisdiction.

- **Update your information** in your BACB account as soon as changes occur (e.g., name change, address change, email address change).

- **Do not create more than one account.** If you are having trouble getting into your account, please use the Contact Us Form for assistance.

2. Complete the Certification Application

If you meet all the eligibility requirements, complete the following steps to apply for RBT certification at any time:

<table>
<thead>
<tr>
<th>Step</th>
<th>Responsible Person</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Log into your BACB account and select the “RBT” tab. Click on the “apply for RBT credential” link. Please note that if you reside outside of the US, Canada, Australia, or the UK, you may not begin a new certification application. Note: Certification applications are active for 90 days. If you do not meet all of the requirements within the 90 days, you must reapply and pay the fee for a new application. We highly recommend waiting to apply until you have met all of the eligibility requirements.</td>

<tr>
<td><strong>2. Upload the required documents:</strong></td>
<td>Applicant</td>
</tr>
<tr>
<td>a. certificate of completion for the RBT 40-hour training</td>

</tr>
<tr>
<td>b. completed RBT Initial Competency Assessment (based on the current version of the RBT Initial Competency Assessment Packet)</td>
<td></td>
</tr>
<tr>
<td>c. copy of a transcript or diploma verifying your completion of a high school degree or equivalent</td>
<td></td>
</tr>
</tbody>
</table>

Unique documents must be submitted for each new application. Previously submitted documents will not be reviewed for new applications.

*Note:* Ensure that the information you submit is accurate and truthful (see the consequences for submitting inaccurate information in the [Submission of False, Forged, or Untrue Information to the BACB section](#)). Also make sure that all of the application documentation you submit matches the name listed in your **BACB account**. If your name has changed since the documentation was issued, you must complete a Name Change Request in your account by selecting Update Profile to notify of a former name for application documents.

When you submit your application, you will be asked to provide attestations in the Eligibility Affidavit section of the application and agree to the Application Processing Agreement. You will be asked to (a) affirm that you have read, are in compliance with, and will continue to comply with all BACB requirements, (b) report whether you have a physical or mental health condition or substance use disorder that could impair your ability to safely and competently work as a behavior technician, and (c) report any relevant disciplinary or legal investigations or actions. Please read each question and answer truthfully. Answering “yes” to the second or third question will require that you also complete and submit an [Ethics Self-Reporting Form](#). Your application will be placed on hold while your self-report is reviewed by BACB staff.

Examination accommodations are available to individuals with a current disability as defined by the [Americans with Disabilities Act (ADA)](#) or a comparable human rights law in their country. For more information, please review the Examination Accommodations section.

| **3. Identify an RBT Supervisor or RBT Requirements Coordinator** (see the Supervision Requirements section to determine who qualifies to serve in this role). | Applicant |
| **4. The RBT Requirements Coordinator or RBT Supervisor will complete their portion of your application in their BACB account, which includes:** | RBT Supervisor or RBT Requirements Coordinator |
| a. confirmation that you are at least 18 years old | |
| b. confirmation that you completed and passed your criminal background check and abuse registry check within 180 days of the date you applied for certification | |
| c. confirmation of their willingness to provide you with ongoing supervision | |

The application will be in your RBT Supervisor's/RBT Requirement Coordinator's BACB account after you submit the first portion, and they will receive an email notification with instructions. If they are unable to see your application in their account, please [contact the BACB](#).

| **5. After the RBT Supervisor or RBT Requirements Coordinator completes their portion of your application, you will receive instructions via email for completing the remainder of your application, including paying the application processing fee and agreeing to the application processing agreement.** | Applicant |
| **Note:** If your RBT Supervisor or RBT Requirements Coordinator does not agree to the attestations for any reason, you must create a new application. | |

</tr>
<tr>
<td>• <strong>Not approved</strong>: You will receive feedback and guidance on next steps via email. If you do not meet the requirements within 90 days of submitting your application, you must submit a new RBT certification application, including paying another certification application processing fee.</td>
<td></td>
</tr>
</tbody>
</table>

*Note:* After submitting your certification application you will receive feedback on whether your documentation has demonstrated your eligibility under BACB certification requirements. Please note that feedback is not provided in your BACB account. Your application will be marked as “under review” until it is approved or expired. BACB staff will not provide a rationale for the decision beyond what is included in your feedback email (i.e. staff will not explain the review process to you). Please be aware that all documentation expires 90 days after you begin your application or pay the fee. If you disagree with the application determination and believe that your submitted application materials were rejected in error, you may review our Administrative Appeals Policy to determine if a second, independent review of your application is warranted. If appropriate, you will need to submit an appeal within 30 days of the determination.

### 3. Schedule the Examination

Once your application is approved, you will receive an email with instructions on how to schedule your RBT examination with Pearson VUE. You will have one year from the day your application is approved to sit for the examination. Check your BACB account for specific testing deadlines. The examination is continuously available, and results are provided immediately on-site upon completion. If you do not pass the examination and you have time remaining in your one-year authorization period, you may take the examination starting seven days after your last examination attempt. Once your one-year authorization has expired, you must reapply and meet the eligibility requirements applicable at that time. Please see the Examination Retakes section for more information.

* BACB fees are nonrefundable and nontransferable. The BACB only accepts US currency. Please do not send cash.

** Veterans who qualify for the GI Bill can receive reimbursement for BACB certification examination fees from the Department of Veterans Affairs, regardless of whether they pass the examination. Learn more about this benefit on the [Gi Bill website](#).

† Effective November 1, 2023, BACB examinations are no longer delivered in Quebec. Beginning July 1, 2024, the RBT examination will no longer be delivered in Ontario.
Examination

Once you meet all applicable eligibility requirements, submit your application, and receive an approved determination, you must take and pass the RBT certification examination. This examination assesses your knowledge of the RBT Task List (2nd ed.) at a level consistent with that of an entry-level behavior technician.

Note: Candidates permitted to take the RBT examination will test under the current edition of the task list. If a new edition goes into effect while a candidate’s authorization period is active, they must test under the new edition. Exceptions will not be granted.

Examination Development

Job task analysis (JTA) is the predominant method for developing high-stakes examinations for professions, and it has been used in the development of all BACB examinations. The JTA process involves the development of the following: a draft task list, a content-validation survey of the profession that active BACB certificants are invited to participate in, and a new examination blueprint (also known as a task list or test content outline). The RBT examination is currently based on the 2nd edition of the RBT Task List.

Preparation

The BACB recommends that you prepare for the RBT examination by reviewing the RBT Task List (2nd ed.) and the materials gathered from your 40-hour training and Competency Assessment. The BACB cannot endorse specific study guides or other preparation materials, and the purchase of any study materials does not guarantee that you will pass the examination.

Examination Outline

The RBT examination comprises 85 multiple-choice questions, 10 of which are unscored. Each question has 4 possible answers and only 1 correct answer. Candidates have 90 minutes to complete the examination.

Sample Examination Questions

The following retired questions appeared on previous administrations of the RBT examination and represent content areas that are currently on the examination. These questions are provided to offer candidates insight into the format of the RBT examination.

1. Over the course of the day, an RBT notices that a student is requesting more bathroom breaks than usual. His BCBA tells him to collect data on requests the next day. Which type of data collection makes the most sense?
   a. latency
   b. duration
   c. count
   d. momentary time sampling

2. An RBT has been assigned to work with a new child. At the start of the first home session, the child hides behind his mother and will not approach the RBT.

Which is the BEST option for the RBT given this situation?
   a. conduct a role-play session with the mother acting as the child
   b. remain at a distance from the child and prompt the child to play
   c. engage in activities that were identified as preferred by the child
   d. ask the mother to leave the room and begin the planned instruction

3. Why is it important to vary reinforcers as much as possible?
   a. to prevent reinforcer satiation
   b. to reduce emotional responding
   c. to maintain accurate responding
   d. to establish motivation

4. Meredith is an RBT who works in a residential facility that primarily serves adults with intellectual disabilities. This facility has recently opened a new unit for children. Meredith has been assigned to this unit due to her effectiveness in reducing aggression and self-injurious behaviors on other units in the past. A child that Meredith works with in the new unit has lost eight pounds due to food refusal in the last three weeks.

What is Meredith’s BEST course of action regarding this child?
   a. refer the child to the speech and occupational therapists for evaluation of oral motor and swallowing disorders
   b. ask the supervising BCBA or BCaBA to observe the child with her during meal times
   c. read published articles about food refusal
   d. attend a workshop on food refusal

5. In the service delivery system, who is typically responsible for the direct implementation of treatment plans?
   a. RBT
   b. BCBA
   c. BCaBA
   d. BCBA-D
EXAMINATION

Scheduling
The BACB contracts with Pearson VUE to deliver the RBT examination in person at authorized Pearson VUE testing sites and US military bases that meet the security requirements necessary for the administration of high-stakes examinations. The BACB authorizes the use of testing sites in the US, Canada,* Australia, and the UK and evaluates the addition of new sites routinely and by requests made through Pearson VUE’s website.

You can schedule an RBT examination in your Pearson VUE account or by contacting Pearson VUE’s customer service center. If you plan to retake the examination after an unsuccessful attempt, you must wait 7 days following your previous attempt. Please note that if you request examination accommodations, you will receive a separate email from the Accommodations Review Team with details on how to schedule your examination.

Pearson VUE Examination Fees
Pearson VUE charges $45 for every RBT examination appointment. This fee is in addition to BACB application fees, and Pearson VUE will collect it at the time of scheduling. You may be required to pay applicable sales tax, value-added tax, GST, or similar tax required by law in the country or locality in which you are testing. If taxes are applicable, Pearson VUE will collect them at the time of scheduling.

Any appointment canceled or rescheduled within 30 days of the examination date will be subject to a fee. If you are within 48 hours of your appointment, you will be unable to cancel or reschedule your appointment, and a refund will not be issued. Please note that all fees are nonrefundable and nontransferable.

Cancelation and rescheduling fees are as follows:

</tbody>
</table>

* Effective November 1, 2023, BACB examinations are no longer delivered in Quebec. Beginning July 1, 2024, the RBT examination will no longer be delivered in Ontario.
EXAMINATION

Examination Accommodations
Examination accommodations are available for individuals with a current disability as defined by the Americans with Disabilities Act (ADA) or a comparable human rights law in their country. Accommodation requests must include the BACB Examination Accommodation Request Form and documentation from a qualified professional (e.g., physician, school official, licensed psychiatrist, licensed psychologist).

Appropriate documentation must identify the disability and state the need for the requested accommodation(s). Examples of appropriate documentation include official letters, reports of test results, and documentation of past accommodation(s) received, including accommodation(s) received for standardized testing (e.g., previous Individualized Education Plan [IEP], documentation from another organization similar to the BACB).

All documentation must be compiled into a single PDF file and submitted through the Submit Accommodations Documentation web page. Once the accommodation request and supporting documentation are received, the BACB will conduct a review, which typically takes 10–14 days. The BACB may require additional documentation, which can result in longer processing times.

Individuals should not attempt to schedule their examination until they receive an email about the status of their accommodation request and how to schedule their examination. Please note that certification applications and accommodation requests are reviewed separately, and the approval of a certification application does not equal the approval of an accommodation request.

What to Expect on Examination Day
At all Pearson VUE testing centers, the RBT examination is administered using a computer-based testing (CBT) format. For additional information, visit Pearson VUE’s BACB Certification Testing web page, which offers the following:

- a tutorial to help you become familiar with the CBT format,
- details about what to expect at a Pearson VUE testing center, and
- testing center locations.

General Rules for Taking the Examination
- You are advised to arrive at the testing center approximately 30 minutes before your examination appointment to allow sufficient time for the check-in process. This process includes security measures, such as photographing, palm vein scanning, and obtaining an electronic signature from each candidate. Once an examination has been underway for 30 minutes, no candidates will be admitted into the examination area.
- You must provide TWO forms of valid identification to be admitted into the examination area. Both pieces of identification must show your first and last name exactly as they appear in your BACB account. Any name discrepancy will prevent admission to the examination (e.g., providing a nickname on your BACB account, identification that shows a different last name due to marriage). Pearson VUE does not make exceptions for name discrepancies based on marriage certificates.
- Both pieces of identification must have your signature and be current (i.e., not expired). The primary identification must be government issued and include both a photo and signature (e.g., a driver’s license or state/national ID). The secondary identification must include a signature but need not include a photo (e.g., a signed credit card with a signature that matches the government-issued identification).
• Failure to present two fully valid pieces of identification will prevent your admission into the testing center. If this happens, you will be marked absent and will forfeit the entire examination fee.
• No cameras, phones, recording devices, watches, beepers or electronic-transmitting devices, notes or reference materials, textbooks, briefcases, backpacks, portfolios, or purses, among others, may be taken into the examination area. Personal items may be stored in lockers available at all testing centers.
• Scratch paper, calculators, and rulers are NOT permitted in the examination area, and you are not allowed to remove any examination materials from the administration room. A dry-erase board will be provided at each workstation.
• Earplugs are available upon request at all testing centers, and some provide noise-canceling headphones upon request.
• No food or beverage items are permitted in the examination area.
• No visitors are permitted in the examination area.
• If you leave the examination area to use the restroom, you will go through palm vein scanning when you leave and again before you reenter. During breaks, you are prohibited from accessing phones, electronic devices, or notes, among other items, stored in lockers. However, you are permitted to access food, drink, and medication during breaks.
• Smoking areas are not provided at testing centers.
• No questions concerning the examination’s content may be asked during the examination period. Please listen carefully to instructions from testing-center staff and read all directions thoroughly.
• BACB examinations are delivered via the Internet and, occasionally, Internet connectivity at Pearson VUE testing centers may result in technical problems (e.g., slow screen-load times, screen freezes), which may require rebooting the computer. Answers and examination times (time allotted and time used) are not affected by these technical issues, even in the case of a computer restart.

Examination Terms and Conditions

Before the commencement of a BACB examination, the candidate must read and agree to the following examination Terms and Conditions. Failure to agree to these Terms and Conditions will result in immediate dismissal from the examination. Please note that the time spent reviewing these Terms and Conditions is part of the examination time.

Confidentiality

• BACB examinations are copyright protected and highly confidential trade secrets. Any disclosure or reconstruction of test questions or content is a violation of BACB rules and is subject to damages, including, but not limited to:
  • BACB investigation fees, court costs, and legal fees;
  • the cost of replacing the compromised question(s); AND
  • the cost of reconstructing the examination at the discretion of the BACB.

• CANDIDATES ARE PERMANENTLY PROHIBITED FROM EVER DISCLOSING THE CONTENT OF BACB EXAMINATION QUESTIONS. Candidates may not communicate with other examinees or other individuals during the examination. The BACB considers unauthorized sharing of examination content with others a violation of BACB copyright and a form of cheating on the examination. This prohibition includes, but is not limited to, verbal, written, and/or electronic (e.g., email, social media, other Internet or electronic medium) disclosure.
Test Security

- BACB examinations may only be taken by individuals wishing to apply for BACB certification and for no other purpose.
- Proctors will continuously monitor by video and audio while candidates are taking the examination. The candidate recognizes that they have no right to privacy during examination delivery and that they waive all claims asserting a right to privacy. The candidate will also acknowledge and consent to audio and video recording of their face, voice, the physical room where they are seated, and the location during examination delivery.
- ANY use of electronic devices while an examination is in progress is prohibited and is grounds for termination of the examination and invalidation of the examination results. No materials, documents, or notes of any sort may enter or leave an on-site testing center. Additionally, any item visible or items worn by the candidate before or during an examination, including, but not limited to, cell phones, watches, electronic devices, bags, purses, briefcases, and jewelry, may be investigated at the discretion of the examination proctor.
- Proctors are authorized to maintain a secure and proper examination administration and assist with operational issues but will not provide comments or recommendations regarding examination questions. Tampering with Pearson VUE’s software or equipment, cheating, or permitting cheating (e.g., letting someone copy answers, letting someone provide answers, providing information on the content of examination questions to others) is cause for termination of the examination and invalidation of the examination results. At the sole discretion of the BACB and/or Pearson VUE, irregular, disruptive, inappropriate, or suspected cheating behavior by the candidate may result in any combination of the following:
  - relocation or removal from the examination site;
  - immediate termination of examination delivery;
  - invalidation of examination results;
  - inactivation of certification pending investigation of the irregularity;
  - a required retest to validate a candidate’s examination results;
  - a permanent restriction on sitting for any future BACB examination;
  - another disciplinary action related to eligibility or certification status;
  - forfeiture of all application and examination fees paid by the candidate; AND
  - any other remedy necessary to protect BACB examination content and security.
- The BACB reserves the right to report examination content theft to applicable law enforcement authorities, and the candidate authorizes the BACB to release the candidate’s name, examination performance data, audio and video files from the examination administration, and any other pertinent information necessary to demonstrate the basis for finding that the candidate participated in or benefited from theft of BACB examination content.
EXAMINATION

Breaks

- Candidates taking the examination at a testing center may take breaks, including using the restroom, but must first raise their hand to inform the proctor. The proctor will secure the workstation while the candidate takes a break. The examination time will not stop during breaks. Candidates CANNOT leave their seat at any time unless the proctor has secured the workstation and WILL NOT be permitted to access or use a cell phone or electronic device. If at any time the candidate leaves their computer without the permission of the proctor, the candidate will be unable to continue testing.

Examination Security

The BACB and Pearson VUE take examination security seriously because the value of your certification and our credibility depend on it. RBT examination content is confidential; it is never appropriate to share, discuss, post, or upload examination content. In addition, candidates are required to adhere to the RBT Ethics Code (2.0), which includes the following requirement: “RBTs are honest and work to support an environment that promotes truthful behavior in others.”

Unauthorized possession, reproduction, publication, or disclosure of any BACB examination materials—including storing or disclosing examination questions to any person or entity by any means before, during, or after the examination—is prohibited. Individuals violating these terms will not be permitted to retest or take any BACB examination until the matter has been resolved and the BACB has determined whether the candidate can have access to BACB examinations. Examples of violations and misconduct include:

- submitting false, inconsistent, or misleading statements or omitting information the BACB requests
- attempting to take the examination for someone else or having someone else take the examination for you
- copying or sharing information or any other form of cheating
- obtaining advanced access to examination materials
- stealing examination materials
- bringing prohibited items into the examination room
- failing to follow directions from testing-center staff
- violating Pearson VUE scheduling or testing-center rules and regulations

Examination Appeals

The BACB is committed to reporting valid examination results; however, certain circumstances may cause results to be invalidated. The BACB reserves the right to invalidate examination results and certification status due to suspected or documented misconduct during testing or violation of the RBT Ethics Code (2.0). The RBT Code requires certificants, candidates, and applicants to immediately report any confirmed or suspected examination misconduct by others to the BACB.

Additionally, invalidation may also occur due to situations beyond your control—or that of the BACB’s—at the testing site. If you experience examination condition irregularities (e.g., poor lighting or disruptive noises at the testing site, long screen-load times) during your examination, you may file an examination appeal with the BACB. Pearson VUE delivers BACB examinations via a web browser, so minor Internet bandwidth variances are to be expected.

BACB standards, requirements, deadlines, procedures, fees, examination content, examination delivery modality, examination results, and examination-specific questions/answers may not be appealed.

How to appeal: You must file a request for appeal within 7 days of your examination appointment by completing the Administrative Appeal Request Form.
EXAMINATION

Examination Results
You will be notified of your results at the testing site as soon as you complete the examination. The BACB will confirm your results via email, and they will appear in your BACB account within approximately one week of completing the examination.

Examination Retakes
You may retake the RBT examination for a maximum of 8 total attempts within a 12-month period following your initial examination approval. An Examination Retake Application will be available online via your BACB account within 48 hours of each failed examination attempt. You will receive an examination authorization email within 48 hours of submitting the Examination Retake Application, which will provide further instructions on how to schedule a new examination appointment. A fee is not currently required to submit a retake application; however, you must wait 7 days to retake the examination following your previous attempt.

Note: If you do not pass the examination after 8 attempts and you still have time in your 12-month authorization period, you must wait until your 12-month authorization period is over to reapply for RBT certification.

Scoring Methodology
The BACB uses the modified Angoff method to establish the RBT examination’s passing score. This method is criterion-referenced, meaning that the passing score is determined by a panel of BACB-certified subject matter experts and then approved by the BACB Board of Directors. Your performance on the examination is solely dependent on your understanding of entry-level behavior technician knowledge.

A new passing score is established when a significant change to the industry or examination content occurs (e.g., introduction of a new task list).
What to Expect After Passing the Examination

What documentation will I receive to verify that I am an RBT? In most instances, you will receive a pass/fail report at the testing center. If you pass the RBT examination, within approximately 24 hours, you will receive an email from the BACB with an attached certificate that provides details about your certification, including your certification number and expiration date. You may also find information about your certification status in your BACB account.

When can I start using my RBT certification? You may start using your RBT certification as soon as you receive your certificate from the BACB and have a qualified RBT Supervisor and/or RBT Requirements Coordinator on record with the BACB. If at any point you do not have an RBT Supervisor/RBT Requirements Coordinator who is providing your ongoing supervision on record with the BACB, you may not practice, and your certification will be considered inactive (see the Ongoing Supervision section). In addition, if your certification is inactive for any other reason, you may not use your RBT certification. Your RBT Supervisor and/or RBT Requirements Coordinator can add you to their record through their BACB account. Supervisors should review the Process for Adding or Removing Supervisees document for detailed instructions.

How can employers, funders, and others verify my RBT certification? Newly certified RBTs appear on the Certificant Registry within approximately 24 hours of passing the examination. The Certificant Registry will show your RBT Supervisor/RBT Requirements Coordinator and the status of your certification. If you do not have an RBT Supervisor and/or RBT Requirements Coordinator on record with the BACB, or if you are inactive for any other reason, this is indicated on the registry with red text stating that you may not practice.

In addition, anyone may request a written verification of your current certification status from the BACB for $25 per verification. The verification letter is delivered via email as a PDF document or state-issued verification form and contains all of the information shown on the registry.

What else should I do to ensure my certification remains active? Review the Certification Maintenance Requirements section with your supervisor and meet the maintenance requirements, keep your contact information up to date in your BACB account to ensure that you receive important updates about RBT certification requirements, stay informed of changes by periodically reviewing the BACB website, and report critical events to the BACB Ethics Department (see the Ethics and Self-Reporting section). This is especially important because if the BACB tries to contact you and receives no response after reasonable attempts are made, the BACB may take summary action (e.g., suspension) against your certification (see the Timely Responding to the BACB section).

If your certification status changes (e.g., your certification becomes inactive), ensure that you accurately reflect your certification status to the public. For more information about the correct use of the RBT certification mark, see the September 2008 and July 2021 BACB Newsletters.
Certification Maintenance Requirements

RBTs must meet certain maintenance requirements to remain proficient in performing critical behavior technician skills for behavior analysis services, receive appropriate oversight over those activities, and demonstrate a continued commitment to ethical behaviors that help protect consumers and the public.

As an RBT, you must:

- receive ongoing supervision that meets the RBT supervision, supervisor, and documentation requirements
- adhere to the RBT Ethics Code (2.0) and Self-Reporting Requirements
- complete an RBT renewal application every year, including an RBT Renewal Competency Assessment and fees, to maintain your certification

OVERVIEW OF RBT MAINTENANCE REQUIREMENTS

Ongoing Supervision

Supervision Requirements

As an RBT, you must practice under the close, ongoing supervision of a qualified RBT Supervisor and/or RBT Requirements Coordinator who are responsible for the work you perform. The purpose of ongoing supervision is to improve and maintain your behavior-analytic, professional, and ethical repertoires, and facilitate the delivery of high-quality services to clients (i.e., any recipient or beneficiary of behavior-analytic services). All activities must comply with the respective Codes (i.e., RBT Ethics Code [2.0] for RBTs, Ethics Code for Behavior Analysts for RBT Supervisors and RBT Requirements Coordinators). For that reason, you must meet the supervision requirements at each organization where you are providing behavior analysis services.

Appropriate activities. RBTs may perform activities that behavior technicians typically perform. These activities are determined by their supervisor(s) and may include conducting preference assessments, implementing discrete-trial teaching procedures, and generating session notes, among others.

Amount of supervision. You must obtain ongoing supervision for a minimum of 5% of the hours you spend providing behavior-analytic services each calendar month.
 Supervision activities. The supervision of RBTs may include the following activities:

- developing performance expectations
- observing, providing behavioral skills training, and delivering performance feedback
- modeling technical, professional, and ethical behavior
- guiding the development of problem-solving and ethical decision-making repertoires
- reviewing written materials (e.g., daily progress notes, data sheets)
- overseeing and evaluating the effects of behavior-analytic service delivery
- providing ongoing evaluation of the effects of supervision

Structure of supervision. Supervision must include at least two face-to-face, real-time contacts per month (i.e., supervision may not occur over the phone or via email). Your supervisor must observe you providing services in at least one of the monthly meetings. In-person, on-site observation is preferred. However, these may be conducted via web cameras, video-conferencing, or similar means instead of your supervisor being physically present. Note: Internet-based supervision needs to comply with all applicable laws. Although only one observation is required, the BACB encourages direct observation of service delivery as much as possible.

At least one of the two supervision sessions must be individual (i.e., no other RBTs or trainees present), but the other may occur in a small-group meeting. Small-group meetings are interactive meetings in which two-10 RBTs who share similar experiences participate. The number of RBTs may not exceed 10, regardless of the number of supervisors present. If non-RBTs are present during the meeting, their participation should be limited to increase the interaction of RBTs.

RBT Supervisor Requirements

Your organization likely has one of the following supervision structures:

- **RBT Supervisor structure.** In this structure, you have one or more RBT Supervisors. These individuals provide supervision and are responsible for the services that you provide.
- **RBT Requirements Coordinator structure.** If you have more than one RBT Supervisor, you might also have an RBT Requirements Coordinator. This individual ensures that your RBT Supervisors meet all supervision requirements. In some cases, this individual also serves as one of your RBT Supervisors.

This is one example of an RBT Supervisor structure:
This is one example of an RBT Requirements Coordinator structure, in which the RBT Requirements Coordinator does not serve as an RBT Supervisor:

This is another example of an RBT Requirements Coordinator structure, in which the RBT Requirements Coordinator serves as an RBT Supervisor, and the RBTs each have multiple supervisors:

The following table outlines the requirements for each type of RBT supervision structure:

Public identification. For your RBT certification to be active (i.e., to practice, bill, or represent yourself as an RBT), your RBT Supervisor(s) and/or RBT Requirements Coordinator must have you listed as a supervisee in their BACB account(s). This will be reflected in the Certificant Registry.

Depending on the supervision structure at your organization, the following individuals must list you in their BACB account:

- If you do not have an RBT Requirements Coordinator, all of your RBT Supervisors must list you as a supervisee in their BACB account any time they provide supervision.
- If you have an RBT Requirements Coordinator, only they must list you as a supervisee in their BACB account while they provide supervision/oversight.

Supervisor-client oversight. The RBT Supervisor(s) and RBT Requirements Coordinator must have sufficient client-specific knowledge to inform the clinical direction of your work as an RBT. Specifically, the two parties should be employed by the same organization, or they should have a contractual relationship with your client(s). In addition, you must ensure that you are receiving supervision in accordance with these requirements, including having an RBT Supervisor or RBT Requirements Coordinator for every client with whom you work. It is not permissible, for example, for you to have a supervisor for three of your clients, but no supervisor for one of your clients.

If your RBT Requirements Coordinator and/or RBT Supervisor changes, they must make the change in their BACB account when the supervisory relationship has ended. Supervisors should review the instructions for adding or removing supervisees.
CERTIFICATION MAINTENANCE REQUIREMENTS

Non-practicing and Unsupervised RBTs

Consequences for not being properly supervised. Any RBT found to be substantially noncompliant with the supervision requirements will be subject to immediate termination of their certification or termination of their eligibility to be recertified. In both cases, the RBT will be prohibited from reapplying for RBT certification for six months following the termination. If an RBT requalifies, the RBT will be subjected to enhanced auditing of their supervision records.

A Notice of Alleged Violation may be submitted against the RBT Supervisor and/or RBT Requirements Coordinator if their RBT(s) are not receiving supervision in accordance with these requirements.

Unsupervised RBTs. As an RBT, you may only practice if you have an RBT Supervisor or RBT Requirements Coordinator on record with the BACB (and reflected on the Certificant Registry).

Non-practicing RBTs. If you are not currently providing behavior-analytic services as an RBT, monthly supervision is not required to maintain certification. However, you must still complete annual renewals to maintain certification. If you do not plan to provide behavior-analytic services for an extended period of time you should consider applying for voluntary inactive status.

Supervision Documentation and Audits

Documentation of supervision. You and your RBT Supervisor/RBT Requirements Coordinator must maintain documentation to demonstrate that you are meeting supervision requirements, including:

- days and times you provided behavior-analytic services
- dates and duration of supervision
- format (e.g., one-on-one, group) of supervision
- dates that direct observations of you working with a client occurred
- names of supervisors who provided supervision
- noncertified RBT supervisor form (if applicable)
- proof of supervisor’s relationship to the client
- additional documentation in the event of discrepant records (e.g., session notes)

You and your RBT Supervisor/RBT Requirements Coordinator must retain supervision documentation for at least 7 years, even if the supervisory relationship has ended and/or someone else has assumed responsibility.

Audits. The BACB reserves the right to audit current and former RBTs, RBT Supervisors, or RBT Requirements Coordinators at any time. If it is found that the supervision requirements are not being met, action may be taken against any or all these parties. See page 22 to view the RBT Supervision Audit Process infographic.

Not sure you’re meeting the supervision requirements?
Review this section with your supervisor to ensure that you are meeting all the supervision requirements.

What if you find that you’re not meeting the supervision requirements?
Report this to the BACB (see the Self-Reporting section) and, depending on your situation, you may want to review how to apply for voluntary inactive status, get another supervisor, and/or discuss with your supervisor how you can work together to ensure that you are meeting the supervision requirements moving forward.

For additional guidance, use these optional RBT supervision checklists.
CERTIFICATION MAINTENANCE REQUIREMENTS

RBT Supervision Audit Process

AUDIT INITIATED
The BACB may initiate an RBT Supervision Audit at any time for any reason. For instance, it might be initiated as part of a quality assurance check, self-report of lapse, or ethics-related matter. Please note, your RBT certification status will not be impacted by the initiation of an audit.

BACB REQUESTS AUDIT INFORMATION
The BACB may contact the current or former RBT, RBT Supervisor, and/or RBT Requirements Coordinator via email. The request may include one or more of the following: completion of an RBT Supervision Audit Log, Noncertified RBT Supervisor Form, Proof of Supervisor Relationship with Client (or other supervisor related documents as described in the “Documentation of Supervision” section of the RBT Handbook).

PARTIES SUBMIT AUDIT DOCUMENTS TO BACB
All relevant parties will submit requested documents to the BACB as a direct reply to the audit initiation email within the specified time frame, typically 14 days. The BACB will send an acknowledgement of the documentation submitted following the given deadline. Documents submitted after the deadline will not be reviewed or considered in the determination. Note: If the BACB does not receive a response in the specified time frame, a Notice of Alleged Violation will be submitted against the relevant parties (see the Code-Enforcement Procedures).

BACB REVIEWS DOCUMENTS
All audit cases are reviewed to evaluate compliance with the RBT Supervision requirements and other applicable BACB requirements. If additional documents or information is required, relevant parties will be contacted via email.

BACB PROVIDES FEEDBACK ON DETERMINATION
The BACB will contact the current or former RBT, RBT Supervisor, and/or RBT Requirements Coordinator with a determination and, if applicable, feedback.

NON COMPLIANT

TERMINATION OF CERTIFICATION OR RIGHT TO RECERTIFY
Any RBT found to be substantially noncompliant with supervision requirements will either have their certification terminated or be made ineligible for recertification as of the date they receive their audit determination.1

NOTICE OF ALLEGED VIOLATION AGAINST SUPERVISOR(S)
A Notice of Alleged Violation may be submitted against the RBT Supervisor and/or RBT Requirements Coordinator if their RBT(s) are not receiving supervision in accordance with these requirements.

COMPLIANT

CONTINUE TO MEET SUPERVISION REQUIREMENTS
If the supervision is found to be compliant with the RBT supervision requirements for the audited period, the supervision may occur as usual.

1 In both cases (certification termination or termination of eligibility), the RBT will be prohibited from applying for RBT certification for at least 6 months following the termination and may be subjected to enhanced auditing if they return. If you believe the decision was made in error, you will need to review the Administrative Appeals Policy and, if appropriate, submit an appeal within 30 days of the determination.
CERTIFICATION MAINTENANCE REQUIREMENTS

Ethics and Self-Reporting
You must adhere to the RBT Ethics Code (2.0) and Self-Reporting Requirements. The BACB is prohibited from providing any legal advice and from interpreting any ethics requirements.

RBT Ethics Code (2.0). The RBT Ethics Code (2.0) includes 29 standards across 3 sections: (a) General Responsibilities, (b) Responsibilities in Providing Behavior-Technician Services, and (c) Responsibilities to the BACB and BACB-Required Supervisor.

Work directly with your supervisor(s) to ensure that you are complying with the RBT Ethics Code (2.0). Consult your supervisor(s) if you have questions or concerns regarding BACB ethics requirements.

Visit the Ethics web page for information about code enforcement procedures, ethics resources, and more.

Self-Reporting
Per the BACB’s ethics requirements, applicants and certificants must self-report to the BACB any personal conduct, condition, or event that may pose a risk to others or reasonably impact their ability to safely or competently practice. These events may relate to their roles as service providers, supervisors, educators, trainers, or business owners or managers of any organization or company that provides behavior-analytic services, supervision, education, and/or training. Please see the following sections for details on the three main types of information that must be self-reported to the BACB.

For further guidance on when to self-report, please review the information on the Self-Reporting web page.

Changes to Personal Information
You are required to keep the personal information in your BACB account up to date, including your address, email address, and legal name. Please change or correct any outdated information within 30 days of the change or of becoming aware of the outdated information. Please note that name changes will require the submission of government-issued documentation reflecting your previous and current name, and address changes may require the submission of documentation that verifies your residence.

Noncompliance With BACB-Required Supervision
BCaBAs, BCaBA Supervisors, RBTs, RBT Supervisors, and RBT Requirements Coordinators, among others, are required to self-report any supervision noncompliance to the BACB in a timely manner.

Critical Events
The following events must be self-reported to the BACB in a timely manner. This guidance does not constitute ethics or legal advice. If it is not required that you self-report your situation to the BACB, but you are still unsure, the best course of action is to self-report. Please note that for the purposes of self-reporting, funder refers to any entity (e.g., healthcare organization, state or federally funded service, commercial payer, managed care organization, educational institution, other payment entity) that you have contracted with to provide behavior-analytic, educational, or health-care services.
**Violations of Ethics Standards:** You must self-report any violation of one or more standards in the applicable BACB ethics code (i.e., *Ethics Code for Behavior Analysts* for BCBAs and BCaBAs, *RBT Ethics Code [2.0]* for RBTs). This includes, but is not limited to, the following events:

- leaving a position without ensuring continuity of services or in a manner that fails to appropriately transition or discontinue services
- engaging in a multiple relationship with a client or supervisee
- failing to maintain appropriate client records (including documentation for billing purposes)

**Physical and Mental Health Conditions and Substance Use Disorders:** You must self-report the following events related to physical and mental health conditions and substance use disorders:

- You currently have, or within the past 3 years have had, a physical or mental health condition or substance use disorder that directly impacts your ability to provide services safely and competently, and:
  - you do not have an active, effective care plan in place;
  - you have an active, effective care plan in place, and your care provider recommends that you self-report to the BACB; OR
  - you have an active care plan in place, but it is no longer effective.
- Within the past 3 years, you have been voluntarily or involuntarily hospitalized or placed in a treatment facility (e.g., in-patient, intensive out-patient) because of a physical or mental health condition or substance use disorder for which you do not or did not have a care plan in place, and your ability to provide services safely and competently is or was directly impacted.
- Within the past 3 years, you have participated in a diversion plan or treatment plan related to a physical or mental health condition or substance use disorder in accordance with a license or credential held by you in any profession.
- Within the past 3 years, you have participated in a diversion plan or treatment plan in accordance with a court of law following criminal charges against you for which a physical or mental health condition or substance use disorder lessened the offense that resulted in the diverted or deferred outcome.

**You do not need to self-report the following events:**

- a new or existing diagnosis of a physical or mental health condition or substance use disorder that is unlikely to impact the competent and safe delivery of services
- a new or existing diagnosis of a physical or mental health condition or substance use disorder for which you have an active, effective care plan, and you and your care provider have determined that it will not likely impact the competent and safe delivery of services
- unless advised otherwise, an event that has already been self-reported and that the BACB has dismissed or cleared
INVESTIGATIONS: You must self-report any investigation naming you, a company that you own, or a company in which you hold a primary role related to the matter under investigation (e.g., billing, clinical quality control) within 30 days of becoming aware of the investigation. Do not wait until the conclusion of the investigation to self-report. This includes, but is not limited to, the following events:

- any investigation conducted by an employer in response to an alleged violation of any BACB ethics standard
- any investigation or audit conducted by a state or federal entity (e.g., funder, licensure or regulatory board), professional association, or educational institution that was triggered by a complaint or irregularity identified by the entity
- any investigation or audit triggered by a self-identified irregularity
- any billing or quality control audit (e.g., random or scheduled audit that was not triggered by a complaint or concern) conducted by a funder, governmental insurance provider, licensure or regulatory board, or other entity (e.g., department of health, fire department) that resulted in an order to repay money due to overbilling and a penalty that exceeded $2,500 (USD or equivalent)

You do not need to self-report the following events:

- any billing or quality control audit (e.g., random or scheduled audit that was not triggered by a complaint or concern) conducted by a funder, governmental insurance provider, licensure or regulatory board, or other entity (e.g., department of health, fire department) that did not result in any corrective actions, improvement plans, fines, or repayments exceeding $1,000 (USD or equivalent)

AGREEMENTS AND ACTIONS: You must self-report certain agreements and actions within 30 days of (a) receiving an order from the court, civil or criminal charges, a final determination, or a disposition or (b) signing an agreement or consent order that relates to any of the following events:

- termination by an employer in response to a violation of any BACB ethics standard
- requirement to report a situation or action that posed a risk of harm to others and occurred during the delivery of behavior-analytic, health-care, or educational services to a licensure or regulatory board, professional liability insurance company (i.e., if the event triggered malpractice coverage), or other governmental agency (i.e., if the event warranted mandated reporting to a welfare or protective agency)
- denial of a professional licensure application for conduct or competence reasons, such as eligibility requirements deficits, that would not otherwise constitute ethics code violations (e.g., unmet education, training, experience, application, and/or documentation requirements; unpaid fees)
- an arbitration decision or a settlement or consent agreement/order between yourself and any funder, licensure board, or certification entity
- required actions (e.g., repayment, compliance or remediation plan, participation restrictions, probation or suspension, voluntary surrender or relinquishment of license or certification, revocation or suspension, practice restrictions or inclusions, mandatory mentorship or continuing education) assigned to you by a state or federal entity (e.g., licensure or regulatory board), professional association, court or tribunal, arbitrator, funder, or educational institution in response to a complaint, audit, or investigation related to the delivery of behavior-analytic services or a behavior-analytic service company that you own or manage
- public health and safety tickets, citations, or fines greater than $750 (USD or equivalent) or of any amount if the situation (a) led to an arrest warrant, jail time, or other incarceration or (b) involved or occurred in the presence of a client
• criminal or civil suits naming you that are directly or indirectly related to the delivery of behavior-analytic services or involve assault, battery, or abuse of a person or animal (this must be reported within 30 days of becoming aware of the criminal or civil suit)
• criminal or civil suits in which you have been found guilty, have entered a plea of no contest, or have otherwise been sanctioned related to a misdemeanor or felony involving public health and safety or the delivery of behavior-analytic, health-care, educational, or other human services (this must be reported within 30 days of becoming aware of the criminal or civil suit)
• official expungement of court records that meet BACB self-reporting requirements if the action occurred during the delivery of behavior-analytic, health-care, or educational services or involved the assault, battery, or abuse of a person or animal
• probation, parole, pretrial diversion agreements, settlement agreements, or consent orders assigned to you
• current detention (e.g., you are being held in custody in a jail, prison, other correctional facility, court-mandated treatment facility, or under house arrest)
• any conviction of a felony that carried a maximum sentence of more than 5 years imprisonment and that has not been expunged

You do not need to self-report the following events:

• credit or tax hearing
• personal bankruptcy
• fines related to tax, revenue, or wage garnishment
• parking tickets or tickets generated by traffic cameras
• traffic tickets not exceeding $750 (USD or equivalent)
• family court proceedings (e.g., divorces, custody hearings)
• employer layoffs and actions that do not involve a violation of a BACB ethics standard

Behavior Technicians May Not be Independent Contractors in the U.S.

The U.S. Internal Revenue Service (IRS) provides definitions of two primary worker classifications. A worker is an employee when the company controls what duties will be performed and how they will be performed. A worker is an independent contractor when he/she controls how the duties will be performed (e.g., which procedures are used). Behavior technicians – those who are certified (e.g., as an RBT) and those who are not – have increasingly advertised their availability to provide services as independent contractors. Because over 97% of RBTs reside in the U.S., we provide the following guidance.

The BACB defines an RBT as “a paraprofessional who practices under the close, ongoing supervision of a BCBA, BCaBA, or FL-CBA.” Because an RBT is not an independent practitioner with control over how his/her duties are performed, in the U.S. an RBT would almost never qualify as an independent contractor as defined by the IRS. Thus, any RBT who is working as an independent contractor and any business that hires RBTs as independent contractors should immediately consult a tax professional to confirm compliance with IRS regulations. The following resources might be helpful during this consultation:

• The California Association for Behavior Analysis (May 2018) interpretation of this issue.
CERTIFICATION MAINTENANCE REQUIREMENTS

In addition to this being a serious IRS matter, failure to use the appropriate worker classification for behavior technicians may constitute a violation of the Ethics Code for Behavior Analysts or the RBT Ethics Code (2.0). In the event that a Code violation is alleged against you for mischaracterization of RBT services, the BACB will request a copy of the written opinion of a tax professional to demonstrate that appropriate due diligence was exercised in making the classification.

We strongly encourage RBTs who are practicing outside the U.S. to consult with a tax professional in their country to determine compliance with applicable employment laws.

Annual Renewal

You must renew your RBT certification annually by the certification expiration date listed in your BACB account. To renew your certification, you must complete an RBT Renewal Competency Assessment and submit an RBT Renewal Application.

1. Complete a Renewal Competency Assessment

You must demonstrate that you can competently perform the tasks on the RBT Renewal Competency Assessment as part of the annual requirements to maintain the RBT certification. The assessment is an important maintenance requirement because it requires RBTs to demonstrate their ongoing proficiency in performing critical behavior technician skills. This is especially valuable given the integral, hands-on activities RBTs perform.

The assessment must be:

- overseen by a qualified BACB supervisor
- completed no more than 45 days prior to your expiration date
- based on the current version of the RBT Renewal Competency Assessment Packet

Demonstrate that you meet this requirement by uploading a copy of your completed RBT Renewal Competency Assessment with your renewal application. Your assessor will provide your completed assessment to you once you demonstrate you can competently perform the outlined tasks.

2. Submit Your Renewal Application in your BACB account

After completing the RBT Renewal Competency Assessment, complete the RBT Renewal Application in your BACB account, which includes reporting whether you met the supervision requirements during the last renewal cycle and agreeing that you will continue to adhere to the BACB’s various rules and requirements, reporting, and ethics requirements.

Your annual RBT certification expiration date is typically on the one-year anniversary of the date you passed the examination. You can find the expiration date in your BACB account and on the BACB Certificant Registry.

Note: Your renewal application must be submitted through the BACB account associated with your RBT certification. If you need help accessing your account, please reach out through the Contact Us form.

</table>
| 1. Log into your BACB account up to 45 days before your certification expiration date and select the RBT Renewal tab. Click on the Renew RBT Certification link to begin your application. Please be sure to log into your existing BACB Account. If you create a new account, you will not be able to renew through it.  
*Note*: While the BACB sends renewal and expiration notifications to the email address listed in your BACB account, it is your responsibility to actively maintain your certification. | Applicant |
| 2. Complete the RBT Renewal Application in your BACB account. The renewal application includes:  
   a. Uploading your completed RBT Renewal Competency Assessment (based on the current version of the [RBT Renewal Competency Assessment Packet](#)).  
   b. Indicating if you (a) met the supervision requirements, (b) were not practicing or (c) did not meet the supervision requirements. Please read each question and answer truthfully. If you indicated that you did not meet the supervision requirements, the BACB still may contact you about next steps (see the audit process under the Ongoing Supervision section).  
   c. Affirming that you have read, are in compliance with, and will continue to comply with all BACB requirements. You will also need to indicate if, in the last year, you had a physical or mental health condition or substance use disorder that could impair your ability to safely and competently work as a behavior technician and whether you had any relevant disciplinary or legal investigations or actions. Please read each question and answer truthfully. Answering “yes” to either of these questions will require that you also complete and submit an [Ethics Self-Reporting Form](#). Your application will be placed on hold while your self-report is reviewed by BACB staff.  
   d. Paying the renewal application processing fee and agreeing to the Application Processing Agreement. If you submit an approvable application or additional documentation during the reinstatement period, you will also be charged a $50 late fee. Please note that all of the application documentation you submit must match the name listed in your BACB account. If your name has changed since the documentation was issued, you must complete a Name Change Request in your account by selecting Update Profile to notify of a former name for application documents. | Applicant |
| 3. Allow 2 weeks for BACB staff to process your application.  
   a. The BACB will send status updates and notifications to the email address listed in your BACB account.  
   *Note*: If your documentation is submitted close to your expiration date, you may receive an expiration notification while your documentation is still under review. | BACB Staff |
| 4. If your application is:  
   a. **Approved**: You will be notified via email, and your certification will be renewed for an additional year.  
   b. **Not approved by the end of your reinstatement period**: Your certification will expire, and you must reapply under the current requirements to become an RBT.  
   *Note*: After submitting your renewal application, you will receive feedback on whether your documentation has demonstrated whether you met the maintenance requirements via email. BACB staff will not provide a rationale for the decision beyond what is included in your feedback email (i.e., staff will not explain the review process to you). If you disagree with the application determination and believe that your submitted application materials were rejected in error, you may review our [Administrative Appeals Policy](#) to determine if a second, independent review of your application could be triggered. If appropriate, you must submit an appeal within 30 days of the determination. | BACB Staff/Applicant |
**Reinstatement Period.** If you fail to meet the renewal requirements before your certification expires, your certification will be considered inactive, and you will have 30 days from your expiration date to reinstate your certification by submitting an approvable application and paying a late fee. You will not be permitted to practice, bill, or represent yourself as an RBT while inactive.

**Failure to Renew.** If you do not renew by the end of the reinstatement period, your certification will expire, and you will not be permitted to practice, bill, or represent yourself as an RBT. You must meet the eligibility requirements applicable at that time, reapply, and retake the examination to become an RBT again (see the following graphic).

**Inactive Policy**

RBTs may be inactive because they:

- placed their certification on voluntary inactive status or active/duty reserve status
- do not have a qualified RBT Supervisor or RBT Requirements Coordinator on record with the BACB
- did not renew by their expiration date and are in their reinstatement period
- have sanctions against their certification

RBTs with an inactive certification may not bill, practice, or represent themselves as active RBTs and will be listed as inactive on the Certificant Registry.

**Inactive Due to No Supervisor/Coordinator on Record**

An RBT's certification is considered inactive if they do not have an RBT Supervisor and/or RBT Requirements Coordinator on record with the BACB. As an inactive RBT, you are not permitted to practice, bill, or represent yourself as an active RBT, and you will be listed as inactive on the Certificant Registry with "No Supervisor/Coordinator on Record" as the reason for inactivity. To reactivate, you must have an RBT Supervisor or RBT Requirements Coordinator add you as a supervisee in their BACB account.
**Voluntary Inactive Status**

RBTs who need a break from maintaining their certification for a period of time—and who are within their renewal cycle (i.e., have not missed their expiration date)—may request inactive status. As an inactive RBT, you are not permitted to practice, bill, or represent yourself as an active RBT, and you will be listed as inactive on the Certificant Registry. You may request to be inactive for up to two years and will not be required to submit annual RBT renewal applications (including a renewal competency assessment and fees) during this time. After returning from voluntary inactive status, you may not apply for voluntary inactive status again until you have completed one full renewal cycle.

**Applying for Voluntary Inactive Status**

If you wish to request inactive status, complete and submit the [Voluntary Inactive Status Application – RBT](#) and pay the voluntary inactive status fee well in advance of the date your certification expires to allow time for processing. Your voluntary inactive status will begin on the day your application and payment are approved. You may not apply for voluntary inactive status while you are in your reinstatement period.

**Applying for Return From Voluntary Inactive Status**

If you are an RBT on voluntary inactive status, you may request to reinstate your certification by:

1. completing the [RBT Renewal Competency Assessment](#) no more than 45 days before requesting reactivation
2. submitting an [RBT Request to Return from Voluntary Inactive Status Application](#) (including fees) to the BACB as soon as you complete the competency assessment and within 2 years of your inactivation date

Once your certification has been reactivated and you have an RBT Supervisor or RBT Requirements Coordinator on record with the BACB, your certification will resume. You may not apply for inactive status again until your next recertification cycle. If you fail to return from inactive status, your RBT certification will expire as of the date you placed your certification on voluntary inactive status, and you will need to reapply and meet the eligibility requirements applicable at that time. Please note that individuals who reside outside of the US, Canada, Australia, or the UK and do not reactivate their certification within 2 years will be ineligible for BACB certification after January 1, 2023.

**Example of how your renewal cycle is paused while on voluntary inactive status:**

If you go on inactive status within four months of needing to renew, once you return you will need to complete all renewal requirements within four months, including the RBT Renewal Competency Assessment.
Active Duty/Reserve Status Policy
If you are called to active military duty in the armed forces and are actively certified, you may apply for a temporary pause of your certification status to cover the period for which you are called (not to exceed two years). While on reserve inactive status, you are prohibited from representing yourself as an active RBT. This policy only applies to service members just joining the military or those being deployed. If a spouse of a service member wishes to go on inactive status, they must apply for voluntary inactive status.

Applying for Active Duty/Reserve Status
Upon being called to active duty, contact the BACB and provide a copy of your official active duty orders. If you are certified at the time, the BACB will place your certification on reserve inactive status during your active duty period (i.e., your certification will be placed on inactive status as of the date listed in your orders). There are no fees required for this application.

Applying for Reactivation
Following completion of your active duty, or two years, whichever comes first, you must contact the BACB and inform staff that you have returned from active duty and would like to update your certification status. When your certification becomes active again, your renewal cycle or examination authorization window will resume.

Administrative Appeals

Application Appeals
Adverse BACB decisions including, but not limited to, the denial of a certification, renewal, recertification, or other applications submitted to the BACB may be appealed if (a) you have sufficient evidence to support that you properly completed and submitted all of the required documentation to the BACB by the deadline, (b) you were given incorrect feedback or guidance from the BACB, or (c) you experienced a technical issue with your BACB account that prevented you from meeting the deadline. This type of appeal applies to all trainees, applicants, certificants, and Authorized Continuing Education (ACE) Providers.

BACB standards, requirements, deadlines, procedures, and fees may not be appealed. Do not submit an appeal in order to request information about a denied application; you will receive detailed information (i.e., reasons for the application denial, steps that must be taken to correct any deficiencies) at the time of the denial. To request information about a denied application, please use the Contact Us Form. If you have an active application and must submit additional or corrected documentation, please follow the instructions in your application determination.

How to appeal: You must file a written request for an appeal within 30 days of the determination by completing the Administrative Appeal Request Form. You must include evidence with your submission to support your appeal request.

Examination Appeals
If you experience examination condition irregularities (e.g., lighting, disruptive noises, long load times) during your examination, you may file an appeal with the BACB. Please note, Pearson VUE sites deliver BACB examinations via a web browser, so minor internet bandwidth variances are to be expected. BACB standards, requirements, deadlines, procedures, fees, examination content, examination delivery modality, examination results, and examination-specific questions/answers may not be appealed.

How to appeal: You must file a written request for appeal within 7 days of your examination appointment. To file an appeal, complete the Administrative Appeal Request Form located on the BACB’s Administrative Appeals webpage.

Compassionate Appeals
If you have experienced a qualifying unforeseen life event or extenuating circumstance that warrants relief (e.g., hospitalization, act of nature) within 1 year before the determination that you wish to appeal (e.g., the day that your certification expires), you may submit an appeal request. This type of appeal applies to all trainees, applicants, candidates, certificants, and ACE Providers who have supporting evidence that a qualifying life event occurred.

BACB staff will evaluate the appeal based on the date of the event, its potential impact on your ability to obtain or maintain BACB certification, the amount of time you had to meet the applicable requirements (e.g., whether you are using the 2 years between recertification to accrue continuing education), and whether you could have taken preventative actions (e.g., applied for voluntary inactive status).

How to appeal: You must file a written request for an appeal within 6 months of the determination by completing the Administrative Appeal Request Form. This appeal request requires documentation that verifies the event or circumstance in question.
OTHER RELEVANT POLICIES

Name Change Policy
Depending on where you are in the certification process, submitting a Name Change Request may be necessary for any of the following reasons:

- Your name has changed since creating a BACB account.
- Your name does not match your ID.
- You are notifying of a former name for application documents.

To submit a Name Change Request, log into your BACB account, select Update Profile, select the option that best applies to your circumstances, and follow the instructions.

Acceptable Signatures Policy
The BACB accepts electronic signatures* for applications and forms, whether submitted electronically or by mail. Although it is preferred that documents are digitally signed using a third-party electronic signature service (e.g., Adobe Sign, DocuSign, HelloSign), the BACB will accept any type of electronic signature (e.g., Adobe Fill & Sign, JPEG of a signature) provided the document is signed by the appropriate party with the intent of signing the document.

The BACB also accepts handwritten signatures on scanned documents, unless the document states that an original signed copy is needed. Alterations on handwritten documents (e.g., white-outs, strike-throughs) must be initialed by all relevant parties.

Documentation Policy
All documentation submitted to the BACB, for any reason, becomes the property of the BACB. Documents submitted to the BACB will be retained and/or safely discarded at the discretion of the BACB. For this reason, candidates should retain a copy of their certification application and all supporting documentation for their personal records and to be prepared for future applications.

Submission of False, Forged, or Untrue Information to the BACB
The BACB reserves the right to prohibit any individual from taking a BACB examination, or invalidate any certification (immediately making the certification null and void), in the event that the individual submitted falsified, forged, or untrue information.

Examples of false, forged, or untrue information include:

- submitting false, inconsistent, or misleading statements or omitting information the BACB requests
- submitting an altered or inauthentic transcript
- submitting an application containing false, inconsistent, or misleading information
- submitting documentation that misrepresents your current address and/or country of residence to become eligible for certification
- attempting to take the examination for someone else or having someone else take the examination for you
- copying or sharing information, or any other form of cheating
- obtaining advanced access to certification or examination material
- stealing examination materials
- bringing prohibited items into the examination room
• failing to follow directions from test center staff
• violating Pearson VUE scheduling or test center rules and regulations

Timely Responding to the BACB

If an individual fails to respond to the BACB after reasonable contact attempts are made, or if an individual fails to comply with a request from the BACB, the BACB may take summary action (e.g., suspension) against their eligibility or certification. See the Code-Enforcement Procedures document for more information.

* An electronic signature is “an electronic sound, symbol, or process, attached to or logically associated with a contract or other record and executed or adopted by a person with the intent to sign the record” (15 U.S.C. § 7006 [2000]). Simply stated, an electronic signature is an electronic expression indicating a signee’s intent to sign a document. By contrast, a digital signature is a specific kind of electronic signature, which requires authentication of a signee’s identity.

**Glossary**

**RBT 40-Hour Training:** All RBT applicants are required to complete a 40-hour training as one of the eligibility requirements for RBT certification.

**Applicant:** An individual pursuing certification.

**Behavior-analytic Services:** For RBTs, behavior-analytic services include performing tasks related to the RBT Task List (2nd ed.). The RBT’s supervisor has the discretion to determine if they can competently perform activities outside of the Task List.

**Certification Application:** The initial application to apply for certification as an RBT after eligibility requirements have been met.

**Client:** Any recipient or beneficiary of behavior-analytic services.

**Expiration Date:** The annual anniversary date when an RBT became certified. RBTs are required to complete renewal requirements, including submitting an RBT renewal application and RBT Renewal Competency Assessment, by this date every year. RBTs may find this date in their BACB account and on the Certificant Registry.

**Inactive Status:** RBTs may be inactive for the following reasons:

- They are on voluntary inactive or reserve inactive status (i.e., they put a pause on maintaining their certification). To qualify for these options, RBTs must complete a Voluntary Inactive Status Application or request reserve active duty.
- They are not currently supervised. RBTs without a qualified supervisor on record with the BACB are considered inactive.
- They did not renew their RBT certification and are within their reinstatement period.
- They have disciplinary sanctions against their certification.

RBTs with an inactive certification may not bill, practice, or represent themselves as active RBTs.

**Noncertified Supervisor:** An individual licensed in another behavioral health profession that has applied behavior analysis in its legislative scope of practice who is competent in applied behavior analysis. These individuals may only supervise RBTs with oversight from the RBT’s Requirements Coordinator who is employed at the same organization as the licensed professional. The RBT Requirements Coordinator must complete and maintain the Noncertified RBT Supervisor Form for each noncertified supervisor. Note: Effective January 1, 2026, RBT Supervisors must hold BCBA or BCaBA certification (see September 2023 BACB Newsletter).

**RBT Ethics Code (2.0):** The RBT Ethics Code (2.0) describes the ethics requirements for both RBTs and applicants. All RBTs and applicants must agree to abide by this code. Because RBTs are not independent practitioners and must receive ongoing supervision to practice, individuals who supervise RBTs must also be familiar with this code.

**RBT Initial Competency Assessment:** All applicants must demonstrate they can competently perform the tasks on the RBT Initial Competency Assessment as one of the requirements to qualify for the RBT certification. The Initial Competency Assessment must be completed within 90 days of applying and after the 40-hour training has been completed.

**RBT Renewal Competency Assessment:** All RBTs must annually demonstrate their ongoing proficiency in performing critical behavior technician skills as part of the requirement to maintain RBT certification. The RBT Renewal Competency Assessment must be completed within 45 days of an RBT’s expiration date.
**RBT Requirements Coordinator**: Some organizations with many RBTs and RBT Supervisors may designate RBT Requirements Coordinator(s). The RBT Requirements Coordinator must ensure that the RBTs they are responsible for meet the supervision requirements. The RBT Requirements Coordinator may also serve as the RBT Supervisor in addition to fulfilling their coordination duties. The RBT Requirements Coordinator must hold an active BCBA certification (see the [Ongoing Supervision section](#) for full qualifications). Please note that an organization can have more than one RBT Requirements Coordinator, but an RBT may only have one RBT Requirements Coordinator per organization.

**RBT Supervisor**: An individual responsible for an RBT’s work. The RBT Supervisor must be certified as a BCBA or BCaBA or, if overseen by an RBT Requirements Coordinator, be licensed in another behavioral health profession (see the [Ongoing Supervision](#) section for full qualifications).

**RBT Task List (2nd ed.):** The RBT Task List serves as the basis for the RBT certification examination. It is organized into the following primary content areas: measurement, assessment, skill acquisition, behavior reduction, documentation and reporting, and professional conduct and scope of practice.

**Reinstatement Period**: RBTs who fail to complete all renewal requirements by the date their certification expires have 30 days after the expiration date to reinstate their certification, which includes paying a late fee.

**Renewal Application**: The online application that is submitted through an RBT’s BACB account to renew their RBT certification on an annual basis before its expiration date.
Appendix

Application Processing Agreement

The Behavior Analyst Certification Board (BACB) agrees to process this application subject to your agreement to the following terms and conditions:

1. You have read and agree to be bound by and comply with all BACB rules and requirements (which may be revised) as specified in the applicable BACB certification handbook(s) and on the BACB website relating to:
   - your application for initial certification,
   - your compliance with the relevant ethics code and code-enforcement procedures,
   - the maintenance of your certification, and
   - your application for renewal or recertification.

2. You will only convey truthful and accurate information to the BACB.

3. You must complete all requirements related to the BACB certification you are seeking or currently hold, including, but not limited to:
   - paying applicable fees (which are nonrefundable)
   - demonstrating that you have met requirements for initial certification, maintaining certification, and renewal or recertification, as may be applicable
   - complying with applicable BACB ethics requirements
   - complying with all BACB documentation and reporting requirements
   - reviewing and complying with any revised requirements. You will receive notice of revisions in at least one of the following mediums:
     - the BACB Newsletter,
     - the BACB website,
     - an email from the BACB, or
     - a notice published in your BACB account.

4. You must check the email account you have on record with the BACB, review the BACB website, and review your BACB account on a monthly basis, as the BACB typically provides at least thirty (30) days’ advance notice of updated requirements.

5. You authorize the BACB to publish or otherwise release the following information to governmental licensure boards or agencies, funders, professional associations, supervisors, mentors, and employers. You also authorize the BACB to publish the following information on the BACB website:
   - certificant name
   - certification status (e.g., active, inactive, expired, suspended, revoked, practice restrictions, ineligible for certification)
   - certificant geographic location
   - certification dates
   - qualifications and willingness to supervise others
   - violations of ethics requirements, including, but not limited to:
     - your name on a matter resulting in revocation of certification or eligibility, suspension of certification or eligibility, invalidation of certification, mandatory supervision, or other practice restrictions
     - geographic region where the matter occurred
     - code standard(s) violated
     - year of disciplinary action(s)
     - interim or final action(s) imposed
Unless you choose to opt out, you may be contacted through the Certificant Registry and/or through the BACB mass email service.

Except as otherwise provided herein, it is the policy of the BACB not to release information provided in BACB applications (initial, renewal, and recertification) or contained in certificant records unless such information relates to a pending or final disciplinary, educational/coaching, or supervision matter; is requested by a governmental licensure board or agency, other governmental agency, or court of law; is necessary to conduct a disciplinary investigation or criminal background check; is necessary to provide feedback to a supervisor; or is otherwise properly subpoenaed.

It is the policy of the BACB to comply with all applicable privacy and publication laws. If you become aware that this agreement contravenes laws where you reside, you agree to immediately provide the BACB with written notice of the conflict. Once your information has been published on the BACB website or released outside of the BACB, the BACB is unable to assure removal or retrieval of the information.

6. You agree to hold the BACB harmless and to waive, release, and exonerate the BACB, its officers, directors, employees, committee members, and agents (referred to collectively as BACB personnel) from any claims that you may have against the BACB arising out of the BACB's review of this application or any future applications relating to eligibility for certification, recertification or renewal, reinstatement, conduct of the examination, disciplinary processing, issuance of a disciplinary decision, publication, or third-party disclosure in accordance with Clause 5 of this Agreement. **Except as may be found to contravene the law, you waive any right to assert a claim against the BACB where you are a representative or member of a class or representative action; further, should you be permitted by law or court of law to proceed with a class or representative action, you shall not be entitled to recover attorneys' fees. Additionally, you agree to refrain from subpoenaing the BACB and BACB personnel in any legal proceeding.**

7. Your communications with BACB personnel must be professional. You agree to use BACB-approved contact forms and processes for contacting BACB personnel. Communication from you or your representatives regarding a BACB-related matter or decision may not be made outside of the BACB-approved contact forms or processes, including, but not limited to, contacting personnel at their home, in their community, or at their place of employment (if employed outside of the BACB). You also agree that you will not engage in threatening, vexatious, harassing, and/or profane communications with BACB personnel. If you are sent a cease-and-desist notice from the BACB for any reason (e.g., engaging in harassing communication or unauthorized contact, misrepresentation of BACB-owned intellectual property), you agree to immediately comply with that cease-and-desist notice.

8. You acknowledge that this certification, if granted, indicates that you have met the BACB’s requirements but does not warrant or guarantee your competence to provide professional services. You also indemnify the BACB from and against any liability that may arise from the BACB’s issuance of your certification as it relates to your professional practice.

9. You agree to abide by all BACB ethics requirements, Examination Terms and Conditions, Examination Rules, and any other testing-related requirements identified by the BACB and/or the BACB’s testing vendor.

10. You agree that your address of record with the BACB will, at all times, accurately reflect your lawful residence (state/province and country). You understand that initial certification applications are only available to candidates who reside in authorized geographic locations, and that the BACB reserves the right to modify or discontinue offering initial certification applications and/or recertification applications in certain geographic locations in the discretion of the BACB.
The terms of this agreement include and incorporate by reference the Terms of Use and Privacy Policy published on the BACB website. This agreement survives expiration of your certification application and certification. This agreement is governed by the laws of the state of Colorado. In the BACB’s sole discretion, any disputes between you and the BACB must be resolved by binding, individual arbitration in Colorado with an arbitrator selected by mutual agreement of the parties, except as may be necessary for the BACB to obtain injunctive or other relief to protect the BACB’s intellectual property rights. Arbitration, if applicable, will be governed by the Federal Arbitration Act and not by any state law concerning arbitration. In the event of a judgment against the BACB in a matter filed by or on behalf of you, you agree that damages or compensation awarded, payable, or due to you by the BACB may not exceed any fees you have paid to the BACB in association with submitting this application.

Do you agree to be bound by all the terms of this Application Processing Agreement?
