

# BCaBA Examination Pass Rates for University Training Programs (2022)

The data in this report show the number of first-time BCaBA examination candidates from, and overall pass rates for, Association for Behavior Analysis International (ABAI) Verified Course Sequences. BCaBA candidates are included in a course sequence’s pass-rate data if they used coursework entirely from that sequence to meet certification eligibility requirements. Data are not reported for course sequences with fewer than six first-time candidates in 2022. Institution name, department name, program name, and modality fields appear as they are listed in ABAI’s database records. *Note:* For a full list of universities that offer qualifying BCaBA coursework, visit the [Association for Behavior Analysis International’s website](#).
