

Coursework Evaluation Application Checklist

Application Checklist

- I have created a [BACB Gateway account](#)
- I understand an application fee of \$100 will be due at the time of application, and the review process will not begin until the fee is paid.

I am sending the following required materials in single Portfolio:

- This form
- A transcript indicating a passing grade for all courses to be evaluated.
Transcripts are needed to confirm the semester and year that your courses were completed, and that the courses meet the BACB's current standards for [BCBA](#) or [BCaBA](#) applications.
- A Course Content Attestation form for each course I would like evaluated that was not completed as part of a Verified Course Sequence.
Please note: Practicum courses that were used toward the [experience requirements](#) may not also count toward the coursework requirements, and should not be submitted as part of this application.
- Signed Mandatory Certification Processing Agreement.
Located on the last page.

If an official transcript is submitted as part of an application for coursework evaluation, it will be kept on file and you will not need to submit a duplicate when you apply for examination. Similarly, you have transcripts on file as part of an examination application, you do not need to submit a duplicate as part of your application for coursework evaluation.

Once you have all items indicated on this checklist collected, your application is complete and ready to submit. Please note that you are responsible for ensuring that all information needed to process the coursework evaluation has been included, as the BACB will issue a final determination based only on documentation provided with the single pdf. Any Course Content Attestation forms received independent from a Coursework Evaluation Application packet will not be reviewed. If you wish additional coursework to be evaluated at a later time, or if additional information was needed to make a determination, a new coursework evaluation application and fee will be required.

Once your coursework evaluation application has been received by the BACB, we will send email confirmation that a \$100 fee has been assessed and added to your BACB Gateway account. The review process will not begin until a fee is paid.

If you have submitted an application for coursework evaluation, \$100 will be deducted from the cost of your BACB exam application. If you have already submitted and paid for an exam application at the time you are submitting this application, no additional fee is required.

Coursework evaluations typically take 14 days to process once payment has been received. You should submit your coursework well in advance of any [applicable deadlines](#).

- Agree** To only provide information in your application to the BACB that is true and accurate to the best of your knowledge. You agree to revocation or other limitation of your certification, if granted, should any statement made on this application or hereafter supplied to the BACB be found to be false or inaccurate or if you violate any of the rules or regulations of the BACB.
- Agree** Upon review of this request for evaluation, the BACB will provide the applicant with a summary of the coursework that can be accepted and, if applicable, a summary of coursework hours still needed to meet the coursework portion of the BACB's eligibility requirements. The determinations made based upon this application will be used toward future applications, subject to final verification upon submission of a full certification application to the BACB.
